

BERMIDJI

Do you remember Diamond Point Park, the Bemidji Belle, Tipperary, Library Park, the Timberlane Drive-In, The Red Onion, Herb's Popcorn Stand? If so, then you must have been part of the Bemidji scene in Bemidji's Fabulous Forties and Nifty Fifties. If you only came into downtown once a week for shopping and a cone at the Red Cap Dairy or Russell Creamery, you will still remember many of the familiar celebrations and places in this book.

The book is available locally at the Beltrami County History Center, Bemidji Woolen Mills and the Chamber of Commerce in Bemidji. It is also available at Clem's Hardware in Cass Lake.
